Behaviour Policy

Rationale

This policy outlines the underlying philosophy, purpose, nature, organisation and management of pupil behaviour at Hornchurch Academy Trust schools. It is a working document designed to enhance the development of positive relationships between children, adults working in schools, parents and other members of the wider school community.

Aims

The aim of the Hornchurch Academy Trust is for every member of the school community to feel valued and respected, and for all persons to be treated fairly. We are a caring community, whose values are built on mutual trust and respect. Each school specific Behaviour Policy is therefore designed to support the way in which the members of the school can live and work together in a supportive way. It aims to promote an environment where all feel happy, safe and secure.

We aim:

- To teach children to think about their behaviour and to learn self- control.
- To give children the chance to make decisions about their work and play so they can learn about responsibility and independence.
- To teach children politely and fairly so that they learn to be polite and fair.
- To teach children to respect other people, their property, beliefs and feelings, essentially, to respect difference.
- To praise and reward good work, behaviour and attitudes. We will always reward improvement.
- To involve parents in all aspects of school life, including their children's behaviour.

A Positive Approach

An effective discipline policy is one that seeks to lead children towards high self-esteem and self-discipline. Consequently, good discipline arises from good relationships and from setting expectations of good behaviour.

We believe that self-esteem affects all thinking and behaviour and impacts on learning and performance. We aim to provide positive everyday experiences so that our children are more likely to reach their full potential.

Core Values

Each school has its own core values that have been devised by the children, staff, parents and interested parties of each school. They reflect the ethos and attitudes that define by each school. All core values support the government's modern British Values.

The Government has highlighted the following 4 key areas as Modern British Values that schools are required to promote through Spiritual, Moral, Social and Cultural (SMSC) aspects of school life.

The British Values are:

1. Democracy
2. Rule of law
3. Mutual Respect
4. Tolerance for those of different faiths and beliefs.

Expectations at Hornchurch Academy Trust we will:

- As adults treat each other with respect at all times, therefore providing a positive role model for the children and each other.
- Support the way in which all members of this school community can live and work together in an environment that is happy, safe and secure and where effective learning can take place.
- Reward good behaviour.
- Provide encouragement and stimulation to all pupils.
- Treat all children fairly and apply this policy in a consistent way.
- Ensure that children are aware of the Core Values and that each class has its own Class Expectations.
- Teach, through the school curriculum, values and attitudes as well as knowledge and skills, in order to promote responsible behaviour, self-discipline and respect for self, others and the world around us.
- Follow our Core Values.

Class Expectations

Each year group will create their own class expectations (age specific) which will apply in all areas of the school and are based upon the following principles:

- We are gentle
- We are kind and helpful

- We listen
- We are honest
- We work hard
- We look after property
- We are respectful
- Treat others how you wish to be treated.

As well as the Class Expectations, every member of the school community should apply the following principles:

- If you do not stop the inappropriate behaviour you are condoning it;
- You own your behaviour.

What we expect of children:

- To be polite – all adults, other children and visitors – and to respect the authority of the adult in charge.
- To listen to adults and each other in lessons and in assemblies, and to consider each other's feelings.
- To walk about the school quietly and calmly.
- To take a positive role in all classroom activities and to try as hard as they can.
- To wait their turn to talk to members of staff and to each other.
- To value each other's work.
- To work and play co-operatively with each other.
- To tell the truth, to take responsibility for their own behaviour and not to make excuses.
- To accept a solution or consequence if they have done something wrong – not to argue or to get angry with the person sorting it out.
- To be able to say sorry when they have misbehaved or hurt someone and to recognise that this word signals a change in behaviour and mood.
- To care for the school and its equipment and to report any damage or graffiti they see.
- To feel responsible for giving a good impression of themselves and the school both within and outside the school.
- To follow and respect their Core Values

What we expect of the adults:
