

School Development Plan priorities 2019-2020

Aspect of Self-Evaluation

Quality of Education

To ensure lessons are sequenced and planned effectively so that pupils know more, can do more and remember more

Behaviour and Attitudes

To improve the behaviour of pupils with particular needs so that they can succeed in their education

Personal Development

Develop pupils' skills in Language and Communication

Leadership and Management

Develop effective feedback to pupils, which reduces teacher workload, whilst ensuring excellent pupil progress

Early Years Provision

To enable the learning environment and staff to develop Critical and Creative thinking so that all students become confident learners
